Also this month, Mr. George Read, Senior Vice President Corporate Development of Star Diamond Corporation, and Dr. Bruce Kjarsgaard, Senior Research Scientist at the Geological Survey of Canada, were invited by the Wits School of Geosciences at the University of the Witwatersrand in Johannesburg to participate in the regular seminar series 'Wits Geotalks'. Bruce and George are geologists with decades of experience in kimberlites and related rocks as the host rocks of diamonds, including evaluating diamond deposits. The discussion was on the economic evaluation of diamond deposits and can be [watched here](#).

As always, we have compiled the latest updates, media appearances and most recent news.

We value 1-to-1 conversations and encourage you to respond directly to this email with any questions you might have, and we will get back to you as soon as we can.
